

Laredo Middle School is proud to announce we have just received the distinguished honor of being recognized as an AVID Schoolwide Site of Distinction. An AVID Schoolwide Site of Distinction represents the highest level of AVID implementation with fidelity while demonstrating excellence in instructional practice and the promotion of college readiness schoolwide. Thanks to the efforts of our AVID Coordinator, Jodi Pappas, and the entire Laredo Faculty for implementing AVID strategies such as Cornell Notes, WICOR strategies, and Interactive notebooks, we will continue to provide transforming experiences for our Laredo students.
