Dear Laredo Middle School Community,

As the new Assistant Principal of Laredo Middle School, it is an honor to be a member of the Lion community. I realize that differentiated, rigorous, and relevant instruction that meets the needs of each student will be the vehicle to continuing the success that has been experienced at Laredo, and I am excited to engage with students, staff and the community.

As a product of Independent School District 196 in suburban Minneapolis, my life was deeply enhanced by my classroom teachers. Not only did they provide me a sound foundation, but they inspired me to realize that an education is more than just interacting with letters and numbers. My education consists of a Master of Education in Administration from University of Phoenix and Bachelor of Science in Speech Communication and English Education from University of South Dakota. I bring 16 years of experience in education which includes 14 years in the Cherry Creek School District. I served as an English teacher for four years which allowed me to have a deep understanding of literacy and skills necessary for college and career preparedness. After time spent in the English Department, I was the Performing Arts Coordinator and Dance Director for four years which has shaped my perception of the vital role that arts and electives serve in schools. I have spent the past six years as the Activities Director at Eaglecrest. This role has allowed me to shape school culture and traditions while serving as an instructional leader.

My husband, Jeff, and I have an 11-year-old daughter, Maya. As I parent, I recognize the importance of a strong home-school partnership. My years as the Activities Director allowed me to serve as a leader in the feeder area, and the role that I cherished the most was working with parents, staff and students to build a sense of pride and community in the school.

I am eager to learn more about the amazing learning opportunities students are experiencing. I will work diligently to continue to provide an excellent educational experience for all students at Laredo Middle School.

Sincerely,

Kelly Snell

Dedicated to Excellence
